Potential Students refers to all persons seeking to enrol in a VET unit of study that meets the course requirements and who are, or would be, entitled to VET STUDENT LOANS assistance.

Student Selection

YES College has open, fair and transparent procedures, based on merit for making decisions about:

Potential Students seeking to enrol in a VET unit of study with YES College, regardless of their background, circumstances or eligibility for funding, will be assessed for entry to study through the same published entry requirements and through the same process.

The above paragraph does not prevent YES College from taking into account that a student may be enrolled in an approved course in accordance with an arrangement that:

- was entered into between the provider and an employer or industry body and
- limits or restricts enrolments in some or all of the places in the course

Entry criteria for diploma courses with YES College are as follows:

Or

- The learner is assessed as displaying competence at or above **exit level 3** in the Australian Core Skills Framework (ACSF) in both reading and numeracy;

And

- The VET provider YES College reasonably believes that the learner displays that competence.

Potential Students make contact with YES College via the contact page of the website, by telephone or email. An appointment is made with Marketing and Admissions staff for a meeting at the College. If the applicant is under 18 a parent or guardian will also attend. At this meeting the student is advised on available courses, schedules and costs.
