- **YES College** must ensure that the duration of study specified in the CoE does not exceed the CRICOS registered duration for the respective courses on YES College Scope of Registration.
- This policy and associated procedures will be made available to the students through student orientation, college website, and student handbook/manual.
- This policy will ensure that all students' academic progress is monitored and students are given every opportunity to achieve the required academic progress for each course they are enrolled in.
- For the purpose of this policy, the study period is defined as a semester. There are 2 study periods in a year each comprising of 20 weeks of teaching. Students get mid-semester break after 10 weeks of teaching and semester break after the semester ends. Students will be given a timetable for ALL allocated units delivered within each study period for the course.
- Satisfactory course progress is defined as achieving competency in 50% or more of the total number of units enrolled in a Study period (Semester).
- A student who does not achieve satisfactory course progress for two consecutive study periods (Semester) shall be considered in breach of this academic progress requirement.
- Where students have been identified as at risk of not meeting the academic requirement, all possible efforts shall be made by the means of intervention strategies to ensure that the student is given the opportunity to rectify their situation, but where this is not possible their non-compliance of this requirement must be reported to [Department of Education](#) and [Department of Home Affairs \(DHA\)](#) via [Provider Registration and International Students Management System \(PRISMS\)](#).
- The following procedures outline a process to ensure that students are made aware and given opportunities by the means of activation of intervention strategies to rectify the situation.

The assessment shall be conducted by qualified trainers / assessors according to **YES College's** assessment tools, methods and the recording processes. All academic results are entered in to the Students Records Management System by the Student Administration Department.

Monitoring Course Progress requires **YES College** to have a documented intervention strategy.

YES College Intervention Strategy Guidelines

Introduction: Intervention Strategies to be put in place may incorporate the following:

- Student will be advised to attend the catch-up classes
- Mentoring programs will be implemented
- Counselling will be arranged for the student

Reduction of load may be advised but the student will be advised to complete the course in the expected duration and he/she cannot exceed duration beyond the specified course duration on CRICOS.

This intervention strategy specifies the procedures for identifying and assisting students at risk of not meeting the required course progress requirements i.e. not attaining competency in 50% or more of the enrolled units undertaken in a study period. This intervention strategy must be made available to staff and students.

The intervention strategy guidelines have been produced to assist **YES College** staff in determining how to assist students at risk of not meeting satisfactory course progress requirements as required by the Monitoring Course Progress Policy and Procedures.

YES College will develop intervention strategies on a case by case basis. These guidelines include suggested actions, however these suggested actions are not exhaustive.

Intervention Strategy Guidelines

Action	Responsibility	Comment
Student has been assessed as at risk of not meeting course progress requirements i.e failed to attain competency in 50% or more of the enrolled units in a study period.	Student Support Officer / Operations Manager	Assessment undertaken according to Monitoring Course Progress Policy and Procedures
Intervention Strategy activated	Student Support Officer / Operations Manager	Student must be contacted by letter, email, phone or personal contact. Student should be advised that they are currently at risk of not meeting satisfactory course progress. Student must meet to devise an intervention strategy. A student's enrolment cannot be cancelled due to not meeting satisfactory course progress if an intervention strategy has not been activated.
Tailoring of Intervention Strategy	Student support Officer / Operations Manager	Intervention Strategies should be tailored to suit each individual student's needs.
Intervention Strategies	Operations Manager / Student Welfare Officer / Student Support Officer	Intervention strategies can cover, but are not limited to: <ul style="list-style-type: none"> • Change of course • English language support • Mentoring • Reassessment • Reduction in course load • Referral to external organisation • Specific homework tasks • Study skills support • Transition support • Welfare support

<p>Intervention strategy- Change of course</p>	<p>Admissions Department</p>	<p>A student may transfer to a suitable alternative course as part of an intervention strategy.</p> <p>Admissions Department must be notified as student will be required to complete new application and receive a new Offer of enrolment and sign a new Enrolment Acceptance Agreement. The implementation of reassessment as an intervention strategy assists the Student in meeting their course progress requirements by clearing any not yet competent units they may have.</p>

<p>Intervention strategy- Reduction in course load</p>	<p>Admissions Department / Student Welfare Officer</p>	<p>Where it is believed the above intervention strategies will not assist a student in meeting satisfactory course progression a reduction in course load may be considered. Students must complete their studies within the duration of their Confirmation of Enrolment (CoE) however if an approved intervention strategy has been implemented students may apply for a CoE extension if they cannot catch up through study in non-compulsory period.</p> <p>Admissions Department to be advised if student requires changes to length of CoE.</p>
<p>Intervention Strategy- Referral to external organisation</p>	<p>Operations Manager / Student Welfare Officer</p>	<p>Referral to an external organization is a strategy that is used when the internal equivalent service has been exhausted and it is determined that by not accessing the external service, the Student will be unlikely to satisfy their course progress requirements. These situations could include, but are not limited to:</p> <ul style="list-style-type: none"> • Extreme issues with language or literacy skills • Extreme issues with numeracy skills • Extreme welfare related issues
