4.0 ACCOMMODATION

Accommodation will vary according to your needs, budget, and where you wish to live. Sydney has many options for students including homestay, shared accommodation, serviced apartments and private leasing (rental). Many of these accommodation options are available close to the college or with direct public transport access to the college.

Rental

You can rent or 'lease' a property by yourself or with friends. This can be done through a real estate agent or privately. When renting a property you will need to pay a security deposit or 'bond' (which is usually four weeks rent), as well as rent in advance (usually two weeks). The bond is held to repair any damage that you, your house mates or house guests cause to the property while renting. Some, or all, of this amount may be refunded to you once your tenancy agreement has terminated.

For more information on your rights and obligations when renting in NSW you should contact the NSW Government Fair Trading on 13 32 20.

Homestay

With homestay, you will live with a family in their home. Homestay can be a good option for younger students as you will have all the comforts of an established home, often with meals and cleaning included.

Legal protection

You have certain responsibilities to meet when it comes to paying accommodation expenses on time, cleaning and maintenance. You also have the right by law to feel secure in your property, maintained with working facilities. If there are any problems with your accommodation, talk to your agent or landlord (if renting) or the service where you found your homestay.

There are also organisations such as tenants unions and consumer advocates that can provide assistance. To find out more please contact the Student Services Team.

Estimated costs for accommodation in Sydney can be found at are as follows:

- Share Accommodation – Around AUD\$292 per week
- Rental Accommodation – Around AUD\$400 - \$650 per week

- Homestay – Around AUD\$410 per week
- Managed Apartment – Around AUD\$347 per week

Students should make enquiries and arrangements for accommodation prior to arriving in Australia.

5.0 ADDRESS AND CONTACT DETAILS

Condition 8533 of your student visa requires you to notify your education provider of your residential address in Australia within 7 days of arriving in Australia. In addition, you must notify your education provider of any change in your residential address within 7 days of the change.

It is your responsibility to ensure that you always update your address details at the College to ensure you receive important information about your course, fees, receipts and any other important information.

8.0 ASSESSMENT

Assessment is the means by which we determine whether or not a competency has been achieved. It is the process of collecting evidence and making judgements about the extent to which a person demonstrates the knowledge and skills as set out in the standards or learning outcomes of a unit of competency. For an effective assessment system in a competency environment, some basic principles must apply.

Underlying principles of assessment:

- a) **Valid:** The assessments actually assess what they claim to assess and what they have been designed to assess. Validity of assessment is when:
 - Assessors are fully aware of what is to be assessed, as indicated by the standards of competence, including clearly defined performance criteria;
 - Appropriate evidence is collected from activities that can be clearly related to the units of competency.
- b) **Reliable:** Individual learners would get a similar result if tested on different occasions, given the same set of circumstances
- c) **Flexible:** The assessment instrument can be adapted to suit work needs and site needs
- d) **Fair:** Assessment instruments are fair when:
 - 1. The Instrument is non discriminatory and inclusive
 - 2. The Instrument can be reasonably adjusted
 - 3. Language, literacy, numeracy requirements are appropriate for the competency level

Underlying rules of evidence:

- a) **Valid:** Validity means the instrument covers the knowledge and skills that are essential to competent performance as set out in the unit of competency.

- b) Sufficient:** The instrument allows for the collection of sufficient quality and quantity of evidence – as set out in the Critical aspects of evidence for the unit of competency.
- c) Authentic:** The instrument allows an assessor to be assured that the evidence presented for assessment is the candidate's own work.
- d) Current:** The instrument allows enough current evidence to be collected to make a decision of competent/not yet competent.

Your program of study may include a combination of any of the following assessment tasks:

- **Demonstration:** Any practical display that happens off-the-job including role-play, simulation and performance of a skill.
- **Knowledge test:** Multiple choice questions, short answer or essay, usually under supervised and/or timed conditions. May be written, oral or open-book.
- **Interview:** Interviews may be conducted face-to-face, by telephone or web conference.
- **Presentation:** Oral presentations may be made to an audience during a workshop or on video. Differs from demonstration as not actually demonstrating a skill.
- **Project:** A series of tasks to be completed to produce a specific definable outcome. The outcome is known as the deliverable. Once the outcome has been delivered the project is finished.
- **Report:** A report provides information about something that has happened. Usually done in the candidate's own time and submitted for assessment. A reflective journal is a type of report.
- **Documents:** A candidate may be asked to present previously completed documents as evidence. A supervisor's verification is also a document.
- **Workbook:** Completion of the assessment activities in the student's workbook. Assessment activities may relate to questions assessing knowledge, demonstration of skills, case studies and practical activities which become part of formative assessment and are collected over a period of time.

Your Trainer will provide you with the full details of the assessment tasks for each unit of competency in your program and will let you know when each assessment task is due and the required acceptable standard.

Note that the College's Assessment, Reassessment and Repeating Units of Competency Guidelines Policy applies to all assessment tasks. The College will go through this policy with you at Orientation and is available from your Trainer or Reception.

9.0 ASSESSMENT RESULTS

To successfully complete a unit of competency i.e. achieve a Competent result for the unit, you must achieve a Satisfactory Result for all assessment tasks for that unit.

To ensure the most fair and honourable system of assessment for students, YES College operates and maintains a policy of honesty and integrity with regards to the presentation and submission of all assessments. This is viewed formally with serious consequences for any deviations to this intent.

Policy

Students who are found cheating or guilty of plagiarism in any form of assessment will be deemed Not Yet Competent for the relevant Unit of Competency. The student will then need to undertake a re-assessment at an additional cost of \$50 per assessment task.

Students who are found cheating or guilty of plagiarism for a second time will need to re-enrol and repeat the entire Unit of Competency and pay applicable fees. Students will also be issued with an official written warning, which will be placed in the students file. Continued behaviour of this kind may result in the student being expelled from the College.

19.0 COMPETENCY BASED TRAINING

You are participating in competency-based training. So, what exactly does that mean?

Qualifications are made up of Units of Competency. These tell us the skills and knowledge recognised as necessary to perform effectively in a particular area of work, work function, activity or process. Each industry area divides these skills and knowledge into related categories that form Competency Standards for specific industry areas.

The Competency Standards provide a framework for training and assessment and tell us what skills and knowledge an employee at a particular level within a particular industry should be reasonably expected to have.

So a competency is: ... “The ability to perform in a discrete area of work, work function, activity or process to the required level of performance expected in the workplace.”

Our assessments are based on confirming if you have the skills, knowledge and to perform a job.

- International students enrolled at **YES College**
- **YES College** Marketing, Admissions, Academic, Student Services and Administrative staff.

All staff are made aware of the requirements of this policy at induction, through access to the College's Policy and Procedures drive, through regular Academic and Admin Meeting, staff updates and continuous improvement practices. Students are made aware of the requirements of this policy through the Student Handbook, during the enrolment process, at orientation and throughout the course.

PROCEDURES:

- It is the responsibility of the Operations Manager under the instruction of the Chief Executive Officer to ensure that timetables are set in such a way that students have equitable distribution of study load throughout their course of enrolment.
- Students are provided with the timetable on their orientation day and at the beginning of each study period which identifies the units required to be completed in that study period (semester).
- **YES College** encourages students to complete the units scheduled for their chosen group in a particular study period, except in circumstances where a student:
 - is not required to complete a unit(s) due to credit transfer/recognition of prior learning
 - has not previously completed the required pre-requisite study component of a unit
 - has been Deferred/Suspended or cancelled in a particular study period (In which case- a New extended eCoE will be created by PRISMS System and Student Management System (TEAMS) will reflect the new enrolment end date.
- Student results are entered into the student database system, 'TEAMS' as soon as possible after unit completion.
- Academic progress of each student is assessed and determined by the Operations Manager/ Student Support Officer in line with the College's Monitoring Course Progress Policy and Procedures. Where a student is identified as at risk of not achieving satisfactory course progress or has achieved unsatisfactory course progress, the Operations Manager/Student Support Officer will devise an intervention strategy with the student to assist the student in completing their course within their expected duration.

- **YES College** will only extend the duration of a students' enrolment, where it is clear that the student will not complete the course within their expected duration, in the following limited circumstances:
 - Compassionate or compelling circumstances, in line with the requirements of the College's compassionate or compelling circumstances policy
 - **YES College** has implemented, or is in the process of implementing an intervention strategy for the overseas student because the student is at risk of not meeting course progress requirements.
 - An approved deferment or suspension has been granted
- Except in the circumstances specified above, the expected duration of study specified in the student's CoE will not exceed the CRICOS registered course duration.
- Where the duration of a students' enrolment is extended, **YES College** will report the change to the Department of Home Affairs (DHA) via PRISMS and records/documents of the decision will be kept in the students' file and will be retained in student files as per the record management policy and Procedures.
- Students whose course enrolment has been extended will be advised to contact the Department of Home Affairs (DHA) to seek advice on any potential impacts to their student visa, including (where appropriate) the need to obtain a new visa.

27.0 CREDIT TRANSFER AND RECOGNITION OF PRIOR LEARNING

Purpose:

YES College accepts and provides credit to learners for units of competency and/or modules (unless licensing or regulatory requirements prevent this) where these are evidenced by:

- a) AQF certification documentation issued by any other RTO or AQF authorised

issuing organisation; or

b) authenticated VET transcripts issued by the Registrar.

The purpose of this policy is to facilitate a process for **YES College** to recognise AQF and VET qualifications and VET statements of attainment issued by any other RTO. The student can apply for the course credit/s at the time of enrolment. **YES College** will process and give the student a record of the course credit/s. Course credit/s may lead to a shortening of a student's course duration.

Scope:

This policy applies to:

- Students enrolled at **YES College**
- **YES College** Marketing, Admissions, Academic, Student Services and Administrative staff.

All staff are made aware of the requirements of this policy through regular meetings, staff updates and continuous improvement practices. Students are made aware of this policy through Student Handbook, during the enrolment and orientation processes and also throughout the course.

Requirement:

- Students must attach the certified copies of relevant documents with their application, and attach it to the Student Exemption Form. Alternatively, students can bring their original documents to the college, which will be copied and signed as sighted. Only completed applications will be processed.
- Examples of documents that may be required include but are not limited to:
 - Verified transcript(s) of past academic record(s) indicating the course(s) completed, year completed and grade obtained (including details of the grading system)
 - Supporting documentation must be a certified copy and translated in English if applicable;
 - A copy of the course description, including the syllabus or handbook outline; and
 - Any other information required by the Operations Manager
- **YES College** endeavours to complete the application assessment process

within 14 working days of receiving an application or as soon as practical.

- Records of all course credit applications and the outcome will be placed in the student's file.

Procedures:

- 1) All students are made aware of their opportunity to applying for course credits using a "Student Exemption Form". This is also supported by the information provided in the *'Student Handbook'*.
- 2) Students who have completed a Nationally Recognised qualification/unit that have the exact same code as a unit currently enrolled will be eligible for credit transfer for the unit(s).
- 3) The student must provide the original certificate to be sighted by College staff or certified copies of the original document to verify the Credit Transfer and attach to the Student Exemption Form.
- 4) Once the complete application is received by student administration, a copy is made and is placed in the student's file. **YES College** shall not keep original certificates at any time.
- 5) The application is then forwarded to the relevant Course Coordinator or Trainer for assessment and outcomes determination. Where the student provides USI transcript for Course Credit, YES College Course Coordinator or Trainer will still exercise caution when using a student's USI transcript to validate training achievements for purposes of granting credit:
 - a. Exercise the same caution with printed or emailed PDF versions of a USI transcript provided by a student as YES College would with hard-copy certificates issued by RTOs.
 - b. The version accessible online directly by RTOs provides a stronger level of assurance, suitable for credit transfer purposes.
 - c. Always contact the organisation that delivered the training if **YES College** have any reason to be concerned about the authenticity of the credentials presented.
 - d. Advise the USI Office if **YES College** become aware of any fraudulent activity in relation to a USI transcript.
 - e. As the availability of the USI transcript is dependent on the

AVETMISS reporting cycle, **YES College** may have to rely on the hard copy of certificates issued by RTOs to validate training undertaken recently.

- 6) Once the assessment is made, the Course Coordinator or Trainer informs the student administration department of the outcome. The outcome is noted on the *Student Exemption Form*. A copy of this document is then forwarded to the student.
- 7) Where the student accepts the outcome and course duration is reduced as a result of course credits, Admissions staff will make relevant variations in the student's COE via PRISMS.
- 8) Students who are not satisfied with the outcome of their application can appeal the decision using the procedure as detailed in **YES College's** Complaints / Appeals policy and procedures.

28.0 CULTURAL ADJUSTMENT

Living and studying away from your family and friends can be difficult at times. Whilst it is an amazing experience and opportunity, it can be difficult to adjust to the new culture and norms of Australian life. Our Student Services Team will be here every step of the way to help you adjust and feel comfortable in studying in Australia and at the College.

29.0 DEFERRAL, SUSPENSION AND CANCELLATION

Policy

- National Code 2018 (Standard 9) allows students, where compassionate or compelling circumstances exist, to defer commencement of studies, temporary suspension of their studies during their program (take leave from studies). This must be completed through a formal agreement process with YES College. Students must be advised that deferring, temporarily suspending their studies during their program may affect their student visa.
- YES College may also seek to cancel or suspend the student's enrolment for disciplinary reasons which are explained in detail in the Procedure below.
- This procedure outlines the circumstances for the application, assessment and approval of the deferment, suspension, or cancellation of enrolment, either instigated by the student or

- a breach of course progress or attendance requirements by the overseas student, which must occur in accordance with Standard 8 (Overseas student visa requirements). *Please refer to Monitoring Course Progress Policy and Procedure and Monitor Attendance Policy and Procedures.*

In provider (**YES College**) initiated deferment, suspension or cancellation, Students are able to access the Complaints and Appeals procedure if they feel that the decision is unfair or they have other grounds to appeal the decision.

- ✓ The **YES College** must only report unsatisfactory Course Progress/Attendance in PRISMS in accordance with section 19(2) of the ESOS Act if:
 - the internal and external complaints processes have been completed and the decision or recommendation supports the registered provider, or
 - the overseas student has chosen not to access the internal complaints and appeals process within the 20 working day period, or
 - the overseas student has chosen not to access the external complaints and appeals process, or

- the overseas student withdraws from the internal or external appeals processes by notifying the registered provider in writing.

- Where the **YES College** is unable to offer a pre-requisite unit

Note:

- a. The above are only some of the examples of what may be considered compassionate or compelling circumstances. The Admissions staff will use his/her professional judgment

and assess each case on its individual merits. When assessing the existence of compassionate or compelling circumstances, **YES College** will consider documentary evidence provided to support the claim, and should keep copies of these documents in the student's file.

35.0 EDUCATION IN AUSTRALIA – THE ESOS FRAMEWORK

Coronavirus (COVID-19) information for international students

International students are an important and valued part of Australia's world class education system. Those impacted by the COVID-19 pandemic can find a range of resources and support on the Department of Education [website](#). Additional information can also be found on the [Study in Australia](#) website, the official Australian Government website for international students.

Australian laws protect international students

The Australian Government wants international students to have a rewarding and enjoyable experience when they come to Australia to study. Australia offers high quality education services and protects the rights of international students to ensure you make the most of your time here.

This fact sheet contains important information for student visa holders about living and studying in Australia, including your consumer rights and responsibilities as an international student and key things you should know before and during your study.

As a student on a student visa, you benefit from Australian laws that ensure high standards of education, facilities and support services while you are in Australia. You also have rights to information about your course and the education institution you wish to study with before and during your enrolment. The Education Services for Overseas Students (ESOS) framework offers you financial protection in case your education institution does not deliver what it has promised you.

You can find out more about the framework on the [Department of Education website](#).

Before you begin your studies

Choosing a course to study

As an international student, you can only study a course with an education institution listed on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). All education institutions registered on CRICOS have met the quality standards set out in Australian law, which ensures you receive the best possible education services.

[CRICOS](#) is a good place to start when you want to find a course or education institution to study with.

Using an education agent

International students **do not** have to use an education agent. You can enrol directly with an Australian education institution. Information about what education institutions offer is usually on their websites.

If you want to use an education agent, it's best to pick one used by the education institution you want to study at. You can find a list of education agents on the education institution's website.

The law requires education institutions to only use education agents that act honestly and with integrity. Agents must give you accurate advice about the courses on offer, including entry requirements, and information about living in Australia. You should still be careful and alert when dealing with agents to ensure you enrol in a course that is suitable for you and will help you achieve your learning goals.

In Australia, education agents cannot give you information on visa and immigration matters – only migration agents can do this. You can find out more about using migration agents at the [Department of Home Affairs website](#).

If you think your education agent might be behaving dishonestly or unethically, you should stop using them immediately and contact your education institution directly.

Written agreements or contracts between the student and institution

Under Australian law, an education institution must have a written agreement with you outlining the services they will provide, all the fees you are required to pay, and conditions for refunds of money you pay for the course.

The written agreement is a legal contract. You should read it carefully and make sure you fully understand what it says before signing it. You and your education institution must follow whatever is set out in the written agreement once you have accepted it, so you should keep a copy of it. Should you ever make a complaint about your education institution, you will need to refer to your written agreement. You can find out more about making complaints on page 6 of this fact sheet, [Making complaints and getting help](#).

Your rights before you enrol

Even before you enrol with an education institution, under Australian law you have the right to:

- receive current and accurate information about the courses, entry requirements, all fees and modes of study from your education institution and your education institution's agent;
- sign a written agreement with your education institution before or at the time you pay fees. You do not have to pay the education institution any money or fees until you accept the agreement;
- seek a refund in certain situations for course money you have paid. Information about refund arrangements must be included in your written agreement;
- get the education you paid for. The law includes tuition protections that will allow you to be placed in another course or receive a refund if your education institution is unable to teach your course (known as a provider default), visit the [TPS website](#) for more information;
- access complaints and appeals processes; and
- request to transfer to another education institution and have that request assessed

Paying your tuition fees

From 14 December 2015, changes to Australian law give international students more choice about how they pay their fees. Previously you could not pay more than 50 per cent of your fees before you started a course. Now you can **choose** to pay more than 50 per cent of your tuition fees before you start. For example, you or the person who is paying

your fees may decide this is a good idea if the Australian dollar exchange rates mean you will save money by paying more of your fees early.

Your education institution may ask you if you would like to pay more than 50 per cent of your fees before you start your course. This is your choice. Your education institution cannot require you to pay more, unless you are doing a short course of 25 weeks or less. If your course is longer than 25 weeks, you cannot be asked to pay more than 50 per cent of your tuition fees before you start.

Your education institution may wish to organise a payment plan so you can start regularly paying the rest of your tuition fees once you start the course. Your written agreement should include an itemised list of all the fees you will be charged for your course, including your tuition fees, and information on how they will be paid and what refund arrangements apply.

In Australia there are also very strong protections for students' fees, which you can learn more about on **page 6** of this fact sheet under [Protecting your tuition fees](#).

What happens if you can't start the course because your visa is refused?

If you have paid fees to an education institution and your visa is refused, you are entitled to a refund. Under Australian law, the education institution is allowed to keep either 5 per cent of the tuition fees you paid or \$500, whichever is the lowest amount, and must refund you the rest.

If your visa is refused after the course was due to start, the education institution can keep tuition fees for the number of weeks that have passed since commencement and must refund you the rest of the fees.

What happens if you decide you don't want to start or continue the course?

If you change your mind and do not want to start the course, you may be entitled to a refund.

If you have a written agreement with the education institution, the amount of your refund will depend on the written agreement, which should tell you what will or will not be repaid to you.

If you do not have a written agreement, you have the right to receive some of your fees back. Under Australian law, the education institution is allowed to keep either 5 per cent of the fees you paid or \$500, whichever is the lowest amount, and must refund you the rest of the tuition fees you paid them.

During your studies

Support services for you in Australia

Under Australian law your education institution must offer you support services to help you adjust to study and life in Australia, achieve your learning goals and maintain satisfactory progress in your learning. This support is available because we recognise that Australia may be a new environment for students, with different laws, culture and customs. Your education institution must give you free information and advice on:

- support and welfare services available at the education institution;
- legal services;
- emergency and health services;
- facilities and resources;
- complaints and appeals processes;
- any student visa condition that relates to the course you are studying; and
- services international students can access for information on their employment rights and conditions, and how to resolve workplace issues, such as through the Fair Work Ombudsman.

Many education institutions also offer career advice services. You should ask them whether they can help advise you on working and careers.

Welfare for students under 18 years of age

If you are under 18 years of age, you will only be granted a visa if there are adequate arrangements in place for your accommodation, support and general welfare. This is for your personal safety and applies for the length of your student visa or until you turn 18.

If you are under the age of 18, your visa application must demonstrate that you will be accompanied by a parent, legal custodian or an eligible relative. If you will not be living with one of these people, your education institution can agree to be responsible for

approving your accommodation, support and general welfare arrangements while you are in Australia on a student visa.

If your education institution has approved your living and general welfare arrangements, but you wish to change them, you **must** have the approval of your education institution before you do so. This is because your education institution must advise the Department of Home Affairs as soon as possible about changes to living and welfare arrangements for students under 18.

If you don't have your education institution's approval, this may be reported to the Department of Home Affairs. If this happens, you will be in breach of student visa condition 8532 and your visa may be cancelled.

Visit the Department of Home Affairs website for more information about [visa requirements](#) and [welfare arrangements](#) for students under the age of 18.

Your responsibilities as an international student in Australia

Your student visa

As an international student on a student visa, you must:

- comply with your student visa conditions;
- ensure you have and continue to maintain your Overseas Student Health Cover (OSHC) for as long as you stay in Australia on a student visa;
- tell your education institution if you change your address or other contact details;
- meet the terms of your written agreement with your education institution; and
- maintain satisfactory course progress and attendance.

Information about visa conditions for student visa holders is available on the [Department of Home Affairs website](#), or call 131 881 on Monday – Friday from 9am to 5pm inside Australia (except public holidays).

Academic integrity and misconduct

The Australian Government and education institutions take issues of academic integrity very seriously. Education institutions have many ways of detecting cheating or plagiarism in exams and assessments.

Using ghost writing services, asking someone to take an exam in your place, or any other kind of academic misconduct will result in serious action being taken against you. Your enrolment or student visa could be affected or cancelled altogether.

If you are struggling with your studies, it's best to ask your education institution what support services they can offer you.

Your consumer rights and protections

Protecting your tuition fees

Australia is widely recognised as a world leader in protecting the tuition fees of international students through its Tuition Protection Service (TPS). The TPS assists international students whose education institutions are unable to fully deliver their course of study, and ensures that international students can either:

- complete their studies in another course or with another education institution; or
- receive a refund of their unspent tuition fees.

In the unlikely event your education institution is unable to deliver a course you have paid for, they have obligations to offer you an alternative course or, if you do not accept the alternative course, pay you a refund of your unspent prepaid tuition fees. If your education institution is unable to meet these obligations for some reason, the TPS will assist you in finding an alternative course or getting a refund if a suitable alternative is not found.

Visit the [TPS website](#) for more information. If you are a student whose provider is unable to fully deliver your course, you can call (02) 6271 3440 for assistance.

Working in Australia

Australian workplace laws provide basic protection and entitlements for all workers in Australia, including workers from overseas. International students have the **same** entitlements to minimum wages and conditions as Australian workers, as well as superannuation and workers' compensation under Australian workplace laws.

The minimum wages and conditions to which an employee is entitled are set out in awards (also known as modern awards). Awards apply to employees depending on the industry they work in or the job that they do. Awards don't apply when a business has an

enterprise agreement or other registered agreement that covers the employee's working conditions. For more information on awards and agreements, visit the [Fair Work Ombudsman website](#).

Australian laws also protect you from being discriminated against at work, for example because of your race, when you are applying for a job, about to begin a job, or any time during your employment. For more information about discrimination at work, visit the [Fair Work Ombudsman](#) and [Australian Human Rights Commission](#) websites.

The Fair Work Ombudsman (FWO) helps employers and employees to understand their rights and responsibilities at work. The FWO can also investigate suspected breaches of workplace laws. To find out what you should be paid and learn more about your minimum workplace entitlements you can visit the [Fair Work Ombudsman website](#). You can also call 13 13 94 from 8am to 5.30pm Monday to Friday inside Australia (except public holidays). Getting help to resolve a workplace issue will **not** automatically affect your student visa.

You are limited to 40 hours of work per fortnight when your course is in session, and unlimited hours in out of session periods. This is to ensure you are mainly focused on your studies. Work conditions for student visa holders can be found on the [Department of Home Affairs website](#).

Changing education institutions or courses

If you are not satisfied with the course you are doing and wish to transfer to another education institution, before you make the decision to enrol with another education institution you should be aware that there are rules about what you can or cannot do.

If you are a school student and want to change to another education institution before finishing the first six months of your first school course, you must seek permission from your original education institution to transfer. Six months after you start your first school course, you can change to another education institution without asking your original education institution for approval.

For all other students, if you haven't completed six months of your principal course (the final course of study you are undertaking), Australian law says that you can only change education institutions if:

- your original education institution can no longer provide the course you enrolled in;
- your original education institution says they will release you; or
- you have a government sponsor and that sponsor writes a letter saying they support you changing education institutions.

In other words, you will usually need your education institution's permission if you want to transfer before you have completed six months of your principal course.

Your original education institution can only provide a letter of release if:

- you have a letter from another education institution saying they have made you an enrolment offer; and
- where you are under 18, you have the support of your parent or legal guardian, or the education institution wishing to enrol you says they will take responsibility for your welfare.

You should read and understand your education institution's transfer policy, as it should clearly state the reasons that you may or may not be granted a transfer. Your education institution must assess or consider your request to transfer against this policy.

If you are not satisfied with your education institution's decision, you can appeal through their internal appeals and complaints handling process. If you are not satisfied with the outcome of that internal appeal process, your options are outlined in the section below, [Making complaints and getting help](#).

If you are thinking about changing your course, you need to ensure that you continue to meet the conditions of your student visa. Further information about the impact of changing courses or education institutions is available on the [Department of Home Affairs website](#).

Making complaints and getting help

If you have a complaint about your education institution, you should talk to them first. Your education institution must have complaints and appeals processes in place to help students resolve their issues.

If you cannot resolve your complaint with an education institution, there are other actions you can take. You will need to find out whether your education institution is a private or government type by searching them and looking at the **Institution type** field on the [CRICOS website](#).

If your education institution is a private (non-government) organisation, you can make a complaint to the Commonwealth Ombudsman using the [online complaint form](#) on their website. If you are unable to complete the online form, you can contact them on 1300 362 072 from 10:30am to 3pm AEDT Monday to Friday inside Australia (except public holidays).

If you are studying with a government education institution, which includes most universities and TAFEs, the external appeal body will most likely be the ombudsman for the state/territory or Commonwealth. Your education institution can give you the best information about the appropriate external appeals process for their institution. You can find the contact details of all Australian ombudsmen on the [Commonwealth Ombudsman website](#).

Questions?

If you have any questions or concerns that have not been answered in this fact sheet, you can submit an enquiry on the [Department of Education website](#).

Find out more and connect on social media

Study in Australia is the official Australian Government website for international students. You can connect with it through their [website](#), [Facebook](#), [Twitter](#) or [YouTube](#). The **Fair Work Ombudsman** gives you information and advice about your workplace rights and obligations. 46.0 LIVING IN AUSTRALIA

Sydney is the largest city in Australia in terms of population. It is often called "the Harbour City" and is one of the most multicultural cities in the world, offering a wide selection of entertainment, food, restaurants, shopping, pristine beaches and sightseeing. Sydney has a temperate climate with warm summers and cool winters, and rainfall spread throughout the year. Students are ideally placed to take advantage of it all.

YES College is located in Parramatta (2 to 4 minutes walk from Parramatta Train Station) which is in Central Western Sydney and is easily accessible through a range of efficient public transport options (train and bus). Parramatta is 23km west of the Sydney CBD.

The Sydney CBD is a major business and commercial centre. It is home to the Sydney icons such as the Sydney Harbour Bridge, Sydney Opera House, Powerhouse Museum, Sydney Aquarium, Darling Harbour and many shops and restaurant, boasting some of Australia's most historic places of interest. For those not inclined to the past you can catch a performance at the Sydney Entertainment Centre, offering drama and comedy shows or enjoy the many entertaining areas such as Pitt Street Malls, The Rocks, Circular Quay and China Town. Australia's most famous beach; Bondi Beach is located approximately 30 minutes from the CBD.

If you're thinking of studying in Australia you will need to know what it will cost to support yourself. Obvious things that come to mind are accommodation, food, clothes,

child-care and entertainment. Below is guide on financial requirements for international students studying in Australia for each academic year (does not include course tuition fees, Overseas Student Health Cover, travel/incidentals), however this can vary widely depending on your lifestyle:

You	\$24,505
Partner or spouse	\$8,574
Child	\$3,670

International students wishing to bring their spouse and school aged dependents should ensure they plan for living expenses for each additional family member. In addition, students will be required to pay the full schooling tuition fees of his/her school-aged dependent children.

Initial establishment costs for a shared apartment, such as rental bond for accommodation, electricity, gas and telephone, could add up to more than \$2,400. In addition, there are the costs associated with staying in touch with home. The cheapest way to phone overseas is using phone apps such as Facebook, Whatsapp or Viber or via a phone card. Phone cards can be purchased at newsagents and convenience stores. Different phone cards will have different rates so make sure different cards are compared to see which is the cheapest for your country. Students requiring a mobile phone, can get packages starting from around AU\$55.00 a month plus phone costs for a one to three year contract. You can also buy a pre-paid mobile phone for about AU\$100.00. Note that calls made from mobile phones to overseas can add up to be very expensive.

To post a letter overseas the cost is around AU\$3.10 through Australia Post. Parcels and freight are a lot more expensive and the cost will depend on how much you are sending and where it is going.

Education Costs

Australian education tuition fees for international students are very competitive with other countries. All tuition fees for international students who study in Australia are exempt from GST and are charged up-front, with some institutions making additional charges to cover other associated costs like mandatory student workbooks, sports facilities, laboratory costs, student organisation membership, and library fees.

English Language Courses

The costs of English Language courses vary greatly depending on the duration and level of the English course. English language courses vary in duration and intensity, and can cost as little as a few hundred dollars for a two week short course to A\$4,000 for a half year semester or up to A\$16,500 for a full year university preparation English course.

Vocational Education and Training (VET) Course Costs

Prices for vocational education courses in Australia can vary between A\$6,000.00 and A\$80,000.00 depending on the course, duration and whether the qualification is a certificate, diploma or advanced diploma. For example, learning to fly is far more expensive than any course that is largely classroom based.

The length of courses can also vary greatly depending on the type of course you plan on studying so make sure you do your homework before you enrol in any course.

Accommodation Costs

See Accommodation Section.

Any items lost that are imperative for completion of your course will need to be replaced at the student's expense.

48.0 MEDICAL PROBLEMS

Doctor's Visits

If you get sick, you may have to go and see a doctor. In Australia, you do not go to a hospital unless you are seriously ill. You go to your local doctor (which is called a GP or General Practitioner) who will have a clinic near your house. Clinic hours usually start from 9:00 am and the clinic may be open all day. When you arrive, the receptionist will ask you for your OSHC card or book. Don't forget to take your OSHC Membership card when you go to the doctor's surgery. If you cannot leave the house, you can ring the Doctor's receptionist and make an appointment for the doctor to visit you, which will be more expensive.

If you cannot come to the College, the doctor will give you a medical certificate that describes what is wrong with you and says how many days you may stay at home.

Don't forget to give your medical certificate to your teacher when you return to class. You keep the original certificate and we will place a copy on your file.

In Australia, you only have to pay percentage of the cost of a visit to your local doctor, and if you are in a public hospital you do not have to pay at all. However, you may have to pay more to see a specialist or if you are in a private hospital. When you get a bill or receipt for medical service, take it with your medical card to your OSHC provider and apply for a refund.

Hospitals

Under OSHC you are covered for accommodation and/or treatment in Public hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or casualty department.

Public hospitals throughout Australia have emergency clinics where you can go at any time of the day or night in an emergency. Doctors at the hospital will attend to you.

Emergencies

For all emergencies that are life threatening, dial 000 from your telephone to be attended by the emergency service departments. This includes Fire, Police and Ambulance services, operating 24 hours a day. Please follow the steps below to get assistance as soon as possible.

- Ask the operator for the service you need
- Wait to be connected
- Describe the problem
- Be aware of your address or be ready to describe your location as clearly as possible
- Listen to any instructions given by the operator
- Do not hang up

Ambulance Service

Your Overseas Student Health Cover (OSHC) will cover costs for ambulance only when it is used in a state of emergency where medical attention is needed immediately. The costs for an ambulance used for non-emergency medical transport is not covered by OSHC.

First Aid/Medical

If a student is ill or injured and needs help please contact any member of the College staff, as First-Aid cabinets are available on the premises. The College is not permitted to provide or administer medication to any students.

Students must report all injuries, accidents and near misses to their trainer or a staff member.

Students who suffer from a serious illness or allergies or who are required to take medication daily should advise the Student Welfare Officer for any assistance or special arrangements.

49.0 MOBILE PHONES AND MP3 PLAYERS

As a courtesy to the teachers and other students, mobile phones and other electronic devices are to be turned off during class times.

Before commencing your course, you must attend Orientation. Orientation will give you all the important information you need to study at YES College and in Australia. Orientation will cover things such as how to purchase your mandatory Student Workbooks, important YES College contacts, class timings, college policies and procedures, student services and everything else you need to study successfully at YES College. YES College Student Services staff will let you know when your orientation date and time is. You can also speak to Reception or the Marketing and Admissions Team if you have any questions in regards to orientation.

51.0 OVERSEAS STUDENT HEALTH COVER

Australia has a very modern and efficient health care system. It is subsidised by the Australian Government. Overseas Student Health Cover (OSHC) is a type of insurance that allows you to use the Australian healthcare system and it covers the costs for any

medical or hospital care which you may need while studying in Australia. It will also pay for some prescription drugs and emergency ambulance transport.

If you are an international student, you must be covered by OSHC from when you arrive in Australia and for the entire duration of your stay, in line with Condition 8501 of your student visa. This can be organised by YES College or yourself. If you are studying at more than one educational provider and both are arranging OSHC, you will have to ensure that there is no gap between policies. This means that as one policy expires the next commences immediately.

You can find out more about purchasing Overseas Student Health Cover at the website <https://www.studyaustralia.gov.au/en/life-in-australia> or by speaking to YES College Marketing and Admissions Staff.

Where the **YES College** requires, either directly or through a third party, a prospective or current learner to prepay fees in excess of a total of \$1500 (being the threshold prepaid fee amount), the YES College must meet the requirements set out in the Requirements for Fee Protection in Schedule 6. (Requirements for protecting fees prepaid by individual learners, or prospective learners, for services)

These requirements do not override obligations and requirements of the Education Services for Overseas Students Act 2000.

The YES College addresses learner fee protection by implementing one or more of the following arrangements:

1. The **YES College** holds an unconditional financial guarantee from a bank operating in Australia where:
 - a. the guarantee is for an amount no less than the total amount of prepaid fees held by the **YES College** in excess of the threshold prepaid fee amount for each learner for services to be provided by the **YES College** to those learners; and
 - b. all establishment and ongoing maintenance costs for the bank guarantee are met by the **YES College**.

2. The **YES College** holds current membership of a Tuition Assurance Scheme approved by its VET Regulator which, if the **YES College** is unable to provide services for which the learner has prepaid, must ensure:
- a. the learner will be placed into an equivalent course such that:
 - the new location is geographically close to where the learner had been enrolled; and
 - the learner receives the full services for which they have prepaid at no additional cost to the learner; or
 - b. if an equivalent course cannot be found, the learner is paid a refund of any prepaid fees for services yet to be delivered above the threshold prepaid fee amount.
3. Any other fee protection measure approved by the VET Regulator.

PROCEDURE

REFUNDS AND WITHDRAWAL:

This policy document includes a plain English explanation of what happens in the event of a course not being delivered, including the role of the Australian Government Tuition Protection Service (TPS).

In the case of provider default, **YES College** will fulfil its obligation under the ESOS Act and Tuition Protection Service (TPS).

In the case of student default, the amount to be refunded by the **YES College** is calculated according to the Calculation of Fees and Refunds Table in this policy.

The refunds must be calculated in accordance with the Legislative Instrument made under section 47E - the Education Services for Overseas Students (Calculation of Refund) Specification 2014.

This document describes processes for claiming a refund.

YES College will only pay a refund to the student; or to a person nominated by the student only when written authorisation is given by the student in favour of another party. Student unsatisfied with refund or the processes for claiming a refund have rights to make complaints and seek appeals of decisions internally and externally according to **YES College Complaints and Appeal Policy, Procedures and Process**.

This written agreement between **YES College** and a student, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.

YES College must retain records of all written agreements as well as receipts of payments made by students under the written agreement for at least 2 years after the person ceases to be an accepted student.

The non-refundable portion of the fees is kept by **YES College** to offset the administrative costs incurs explicitly while delivering services to international students in compliance with the ESOS Act and the National Code 2018. If a student cancels or withdraws from a course, the loss of revenue is incredibly high, can be higher if **YES College** is unable to recruit another student in the place of withdrawing student due to a shorter timeframe. Thus, in all circumstances, except for visa refusal, **YES College** will deduct certain percentage or demand student to pay tuition fees for the whole semester.

 - the student failed to pay an amount payable to the provider for the course;
 - the student breached a condition of his/her student visa;
 - misbehaviour by the student (Note: the student is entitled to natural justice under subsection 47A(3)).

Note: Subsection 47A(2) - A student does not default for failing to start a course on the agreed starting day if he/she does not start that course because the provider defaults in relation to the course at the location under subparagraph 46A(1)(a)(i).

If a student choose to be placed into another course, **YES College** will ask student to sign a document to indicate that the student accepted the placement.

What YES College must do if a student or intending student defaults-

- If a student or intending student defaults, **YES College** must provide a refund in accordance with the requirements under either section 47D or 47E of the ESOS Act, depending on which section applies to the circumstances of the default situation.

Policy

Students having a significant amount of training and/or work experience within the field that is relevant to a course offered by **YES College** may be eligible for Recognition of Prior Learning (RPL).

YES College ensures that any applicant for RPL is provided with the following:

- assistance to understand the RPL assessment process;
- assistance to identify the learning or competency outcomes associated with their prior learning and identify areas where claims for RPL might be made;
- advice on the format of applications including the gathering of valid, current, sufficient and reliable evidence and the authentication required;
- advice on whether further evidence is required, providing advice on the learning or competency outcomes against which students will be assessed.
- information about the competencies and performance criteria relevant to their RPL application
- information and support to enable them to gather reliable evidence of competency
- opportunities to obtain feedback on the evidence proposed prior to finalisation of the application

Students must complete an application form for RPL and attach supporting evidence as required. This evidence must be clearly identifiable, and support the applicant's case for Recognition of Prior Learning by addressing the relationship of evidence with each Unit of Competency.

The student may not need to complete all of the units in a course enrolled if his/her competencies are recognised through the RPL process.

Procedures:

To apply for recognition of prior learning the applicant will need to read **RPL Instructions for Students** and complete the **Student Exemption Form** that is available from the Campus Reception and provide supporting evidence.

YES College Course Coordinator or Trainer will give advice to the applicant on completing the Student Exemption Form and gathering reliable evidence.

Applicants will be encouraged to discuss the requirements and the types of evidence they are thinking of presenting prior to submitting the application.

Any applicant for Recognition of Prior Learning is provided with:

- a. Information about the competencies and performance criteria relevant to their Recognition of Prior Learning application
- b. Adequate information and support to enable them to gather reliable evidence of competency
- c. Opportunities to obtain feedback on the evidence proposed prior to finalisation of the application
- d. Applicant who are eligible for credit transfer will be granted Credit Transfer status and will be subject to the Credit Transfer Policy and Procedure.

It is accepted that RPL is an assessment of an individual's current knowledge, skills and attitude even though the evidence produced in support of the claim for recognition may be drawn from the past. It is up to the RPL Assessor to use his/her professional judgment (based on Training Package

Assessment Criteria in general and each Unit of Competency in particular) whether the evidence produced demonstrates current knowledge, skills and attitude required in the Training Package and Units of Competency.

Evidence may include but not limited to:

- interview/professional conversation
- observation and questioning including workplace visits
- portfolio of work, which may include completed assessment items from previous study
- supplementary assessment tasks or challenge test (oral, written or practical)
- authentication of evidence by supervisor or employer
- The assessor must ensure that the evidence is authentic, valid, reliable, current and sufficient.

The application will need to be submitted at the Campus Reception who will forward the application to the Operations Manager

The Operations Manager will assign a Trainer or Course Coordinator who will assess the completed RPL application and the student will be advised of the decision accordingly.

Further information or an interview with the student may be required before evaluation of the application is completed.

The completed RPL Assessment Form must be signed by the student and the Trainer.

Granting of RPL must be recorded as an outcome in the student file using the RPL - Record of Results and signed by Operations Manager.

The Operations Manager/Course Coordinator will inform the Admissions Staff/Student Support Officer about the outcome of the RPL application.

RPL application documentation, assessment processes and outcomes are placed in the student's academic file.

After RPL is granted a student's course schedule must be reviewed and modified to ensure a full-time load and details of this placed in the student's administration file. If the RPL outcome leads to a shortening of the student's course:

- a. if the course credit/RPL is granted before the student visa grant, the **YES College** Student Support Officer will indicate the actual reduced course duration (as reduced by course credit) in the confirmation of enrolment issued for that student for that course, or
- b. if the course credit/RPL is granted will affect the duration of the course, the **YES College** Admissions staff will record a change of course duration on PRISMS. This will result in the creation of a new CoE (with revised end date) and the cancellation of the original CoE.
- c. if the course credit/RPL granted will not affect the duration of the course, the Admissions staff will record the course credit in the student's file but does not need to take any other action.
- d. if the course credit/RPL granted will affect the duration of the course, the Admissions staff will record a change of course duration on PRISMS. To do this, the Admissions staff uses the Student Course Variation function, and indicates that the student has requested a change to the existing enrolment.

The Admissions staff then chooses 'transfer student into same course' and then changes the end date of the course. This process will result in the creation of a new CoE (with the revised end date) and the cancellation of the original CoE.

Unsuccessful applicants have a right to formally appeal the RPL assessment, through the Complaints and Appeals Policy and Procedure.

66.0 STUDENT WORKBOOKS (MANDATORY)

As part of a condition of your enrolment, you must ensure you have access to the mandatory Student Workbook for each unit of competency. The mandatory Student Workbook is available via Moodle and/or sent to your email address.

67.0 STUDENTS WITH SPECIAL NEEDS

In line with our Access and Equity practices, students with special needs are offered the same opportunities as any other candidate. Our training and assessment programs will take special needs into consideration from the planning stage onwards and adopt flexible learning and assessment methods as appropriate.

As special needs extend to more than identified physical or learning difficulties, Trainers will need to consider the best approach when dealing with candidates with needs such as low literacy, lack of confidence or a non-English speaking background.

This is especially so in relation to assessment because one fundamental principle of an assessment system is that each candidate must have access to fair and open assessment. Depending on any specification given in the standards, the assessor may be able to accept alternative evidence from a candidate with special needs.

If there is uncertainty, the assessor will call on other assessors or a verifier for assistance and guidance, as required. In such a case, the situation must be fully documented, with appropriate feedback being provided to the candidate at all stages.

Flexible Learning Strategies and Assessment Procedures

Flexible learning and assessment procedures form part of our learning and assessment strategies and are integral to the concept of competency-based training. We customise our training and assessments to meet your specific needs.

If you have are having difficult achieving competency in any module please discuss the matter with your Trainer and where possible alternative learning/assessment strategies will be provided to you.

68.0 SUGGESTIONS AND FEEDBACK

Feedback questionnaires are distributed once a term, all students have the opportunity to complete this questionnaire and have their say.

Feedback can also be emailed to operations@yescollege.com.au

70.0 TRANSFER BETWEEN PROVIDERS POLICY

Purpose:

International students who are currently enrolled with another Provider in Australia and are requesting to enrol to another Provider are generally categorised as 'Transfer Students'. For this purpose, these students need to be released by their current Provider by means of providing a 'Release letter' unless the student has finished six (6) months in their Principal Course of Study.

This policy ensures that **YES College** does not enrol any transferring international student prior to the completion of 6 months of their principal course unless that student has a valid letter of release agreeing to such a transfer.

Policy Statement:

The **YES College** will not knowingly enrol a student wishing to transfer from another registered provider's course prior to the completion of six months of their principal course of study except where:

- a. The original registered provider has ceased to be registered or the course in which the student is enrolled has ceased to be registered;
- b. The original registered provider has provided a written letter of release;
- c. The original registered provider has had a sanction imposed on its registration by the Australian Government or state or territory government that prevents the student from continuing his or her principal course; or
- d. Any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

After completing six calendar months of the principal course, an overseas student can transfer without needing to meet one of these conditions.

All applications from current **YES College** students to transfer provider will be assessed in a timely manner and as per the procedure outlined below.

Scope:

This policy applies to:

- International students enrolled at **YES College**

- **YES College** Marketing, Admissions, Academic, Student Services and Administrative staff.

All staff are made aware of the requirements of this policy through regular meetings, Staff induction, staff updates and continuous improvement practices. Students are made aware of the transfer requirements through Student Handbook, during the enrolment and orientation processes and also throughout the course.

Definitions:

- **Incoming student:** Any student who is currently enrolled with another education provider and is willing to transfer their studies at **YES College**.
- **Outgoing students:** Any student who is currently studying with **YES College** and is willing to transfer his/her studies from **YES College** to another provider.

The following procedures have been separated into 'Incoming students' and 'Outgoing students'

2. PROCEDURES:

2.1 Incoming students

The following procedure is relevant to any student who applies for a course within the **YES College** scope of registration and is currently studying on-shore with another registered provider.

For this procedure to be completed, the applicant must provide a copy of their Student Visa and COE number from previous provider to search for student's personal details into PRISMS. Once this information is obtained the following steps are taken:

- I. Admissions staff accesses the student personal details via PRISMS.
- II. Using the copies for COE / Offer letter from student's current education provider, Admissions staff will ascertain if the length of studies completed in their current principal course of study is greater than 6 months. They may also request the copy of the student visa & the passport to ascertain student's arrival date to Australia.
- III. In completing this process a copy of the PRISMS record will be printed and will be attached to the student's application.
- IV. If they have completed more than 6 months of their principal course of study, the application process will be finalised as per **YES College's** policies.
- V. Where a student has **NOT** completed 6 months of their principal course of study, they will be advised to provide an appropriate letter of release from their current

education provider unless any of the conditions (a-d) as listed under policy statement are applicable.

- VI. To support with the release letter application, student may be provided with a 'Conditional' Letter of Offer (Appendix A) which clearly states that an offer of a place is contingent on applicant obtaining a letter of release.

Note: Where a student is in receipt of a Government scholarship, he/she should provide written support from the government agreeing to the change which will stand in lieu of any letter of release.

- VII. If such a letter of release is received and the student has no outstanding fees to be paid to the prior institution or other outstanding matters of concern, the application will be finalised as per **YES College**'s policies.
- VIII. If satisfactory letter of release is not obtained from such students, the application process will be halted and the student will be informed that they are unable to transfer at this time. They are welcome to re-activate their application when the six month period into the principal course of study is passed.

2.2 The National Code 2018 restricts the capacity of students to transfer to other providers prior to completing six months of their principal course. **YES College** will not allow students to transfer to another provider within six months of the commencement of their principal course of study in circumstances where the transfer would be detrimental to the study plan as detailed in their application.

Circumstances that are considered detrimental to a student's study plan could be but are not limited to:

- Change in Study Plan
- Transfer to a lower level of studies
- Increased tuition costs, particularly in cases where deposits paid in advance to **YES College** are non-refundable
- Increased duration of studies in Australia
- Insufficient preparation for further studies
- Qualifications not recognised by Higher Education Providers as satisfying their entry requirements
- Level of support services at new provider are not equivalent to **YES College**'s support services
- Transfer would jeopardise student's progression through a package of courses

- Within 6 months of a course beginning students may experience homesickness and transfer to another registered provider is not likely to overcome this problem
- Where **YES College** is of the view that the student is avoiding being reported to Department of Education and Training and Department of Home Affairs (DHA)

via PRISMS as a result of failure to meet academic progress requirements

Any requests that are received in relation to a student wishing to transfer education providers shall be the responsibility of the Admissions staff. The Admissions staff shall assess the applications to transfer education providers and conclude an outcome based on the following procedure.

YES College will approve a Release request when the transfer is in the student's best interests if:

1. A course is academically unsuitable for a student, e.g. where a student is better suited to a different learning environment or the course does not meet his or her educational or developmental needs or the student is unable to achieve satisfactory course progress at the level they are studying;
2. The course as outlined in the written agreement has not been delivered;
3. The student provides evidence that his or her reasonable expectations about the course are not being met;
4. The student provides evidence of being misled by YES College or YES College education or migration agent regarding the provider or the course and the course is therefore unsuitable;
5. An appeal on another matter results in a recommendation or decision to release the student; or
6. Compassionate or compelling reasons for the transfer exist.

As required by ESOS National Code 2018, Standard 7, before the Release approval is given:

1. The student must present a valid letter of offer of enrolment with the receiving provider; and
2. If the student is under the age of 18, written evidence is required that:
 - The student's parent or legal guardian supports the transfer; and
 - The receiving provider must confirm it accepts responsibility for approving a student's accommodation, support and general welfare.

Refusal of release approval

In accordance with ESOS Act and National Code 2018, YES College will refuse Release approval and inform the student in writing of the reasons for the refusal when the transfer does not satisfy the student's best interests as set out in this policy.

In addition, grounds for refusal also include when:

- A student has unpaid course fees for the current study period;
- A transfer would jeopardize a student's progress through a package of courses;
or
- A student requires or has access to particular support services that will not be delivered by the receiving provider or accessible by the student following the transfer.

The YES College will assess and respond to the application within 10 working days. For students refused a Release, they will be advised of their right to appeal the refusal in accordance with the YES College Student Complaints and Grievance Procedures within 20 working days.

2.3 Outgoing students

The following procedure is relevant to those students wishing to transfer to another education provider prior to completing six (6) months of their principal course of study at **YES College**.

- I. Students may send a written request (e-mail is satisfactory) to CEO / Admissions staff indicating their wish of transferring the course to another provider along with the detailed reasons.
- II. Release letter shall be issued only in situations as listed below:
 - **YES College** has cancelled/ceased to offer your program (letter from **YES College** supplied)
 - Government sponsor considers the change to be in your best interest, if you are a sponsored student (written confirmation from sponsor required)
 - Exceptional circumstances (documentation required to support circumstances and a letter of offer from another provider is required)
- III. The student is required to provide a valid 'offer of enrolment' from the new provider authenticating the transfer and the student is able to provide a letter indicating the benefits of transferring from their current course of study.
- IV. In assessing the application to transfer, administration will check the following points:
 - Ensure any outstanding fees are paid

- Ensure the student is fully aware of all issues relating the transferring of providers
 - Check student records to ensure the student is not trying to avoid being reported to Department of Education and Training and Department of Home Affairs (DHA) via PRISMS due to the breach in course progress requirements.
- V. Once the above points have been addressed by the Administration officer, a 'Letter of Release' (Appendix B) will be granted at no charge to the student. The student will also be advised of the need to contact DHA and obtain a new visa if the course they transfer to is not a Higher Education / VET course. Any relating issues will be reported to the CEO / Admissions staff.
- VI. Admissions staff must report the student's termination of studies via PRISMS

Note:

- All requests, considerations, decisions and copies of letters of release shall be placed on student's file
- The approval of transfer of a student to another institution does not indicate the agreement to provide any refund. Refunds are governed by the **YES College's** refund policy independent of this policy.
- The letter of release will be issued at **no extra cost to the student.**
- Student will be advised that "Student need to contact the DHA offices to seek advice on whether a new Student visa is required.
- In the event of refusal to release the student, **YES College** will provide written reasons for refusal.
- Refusal of the release will be consistent with the **YES College's** policy and procedure as set out in point 2.2 of this procedure and the other requirements of the standards, especially Standard 7 of National Code 2018.
- **YES College** will inform the student of his or her right to appeal the **YES College's** decision in accordance with the **YES College's** complaints and appeals policy and procedure.
